

The law firm Laufenberg & Hoefle, S.C. provides Wisconsin individuals and their families with caring, conscientious legal guidance during the difficult times that follow death or personal injury from car and truck accidents, product accidents, medical malpractice and other misfortunes. Super Lawyer Lynn Laufenberg summarizes the firm's philosophy, "We understand the significant impact an injury or the loss of a loved one can have on you and your family. We believe you are entitled to be kept informed, to participate in all decisions related to your case, and to receive our best efforts, regardless of the 'size' of your case."

RESPECTED BY CLIENTS AND OTHER LAW FIRMS For more than 25 years, through hundreds of personal injury, products liability and medical malpractice cases, the firm has built a reputation for honest, down-to-earth advice that helps clients obtain the best possible outcome. As a result, more than 90 percent of our clients come to us on the recommendations of satisfied past clients and other law firms throughout the state.

WE CARE ABOUT OUR CLIENTS, BELIEVE IN THEIR CASES AND FIGHT FOR THEM. THOSE WHO HAVE SUFFERED A LOSS BECAUSE OF THE CARELESSNESS OF OTHERS DESERVE INDIVIDUAL, PROFESSIONAL ATTENTION — SOMETHING MORE THAN A GLORIFIED CLAIMS PROCESSOR.

SUPER LAWYER LYNN LAUFENBERG has been representing Wisconsin individuals and families for more than 25 years. He has been selected for inclusion in *The Best Lawyers in America*, elected to membership in the American Board of Trial Advocates and to service on the Board of Directors and as Chair of the Litigation Section of the Wisconsin State Bar Association. He is frequently asked to help improve the knowledge and skills of trial lawyers through continuing legal education programs. His greatest satisfaction is making a difference in the lives of those he is privileged to represent.

RISING STAR MICHAEL LAUFENBERG is, like his father, a graduate of Marquette

University Law School. He is active in the Wisconsin Academy of Trial Lawyers, having served on its Board of Directors and as Chair of the New Lawyers Section. Throughout more than a decade of service, his philosophy has been, "to provide clients with an outcome that gives them peace of mind and the ability to move on with their lives. It gives me satisfaction to know I've helped people who are suffering through no fault of their own."
